## Spray Gun Kit

**CALL FOR PRICE QUOTE.**

Featuring: Extension wand accepts all standard TeeJet spray tips and tip strainers

PN: 22670-PP-15-1/4

### Model 22670

The 22670 TriggerJet spray gun kit combines the 22650 TriggerJet spray gun with an extension wand and the items listed in Features. Maximum pressure rating is 150 PSI (10 bar).

### Features:

- 22650 TriggerJet spray gun with 1/4" NPT (F) thread inlet connection.
- Trigger lock permits locking gun in an open position for continuous flow (optional).
- 22665 extension wand with 15" length.
- 38720-PPB-X8 adjustable ConeJet® spray tip with Viton® O-ring.
- CP22673-PP 45° and CP22664-PP straight adapters (other capacities available).
- Accepts all standard Spraying Systems Co.® spray tips and tip strainers.

PN: 38700-1/4-PP-x8

### Model 50800

The 50800 TriggerJet spray gun is a lightweight spray gun designed for use with backpack, canister or other low-pressure sprayers. The TriggerJet is made of molded polypropylene for excellent chemical resistance and durability.

### Features:

- Available with 15" (381 mm) polypropylene or 21" (533 mm) aluminum extension wand.
- With 38720-PPB-X18 adjustable ConeJet® tips with a 30° offset.
- Trigger lock permits locking gun in an open position for continuous flow.
- Maximum operating pressure of 100 PSI (7 bar).
- 1/4" or 3/8" hose shank connection.
- Approximate max. hose O.D. — 1/2" (13 mm).
- Polypropylene strainer located inside handle to prevent tip clogging.

### GunJet Number AA143

Length 565 mm, weight 0.57 kg and only available in aluminum. Inlets 3/4" GH (Garden Hose) female threads.
