

High Performance Electric Sprayer

- ▶ **Integrated charging system:** Fully automatic, selectable 2A/10A/15A, charge maintainer, status indicator
- ▶ **Battery isolator/selector switch:** 4-positions (off, battery 1/2, both)
- ▶ **Battery box:** Accommodates Series 27 deep cycle battery
- ▶ **Performance:** 3 GPM @ 150 PSI, 100 PSI @ nozzle
- ▶ **Pump:** PUMPTEC® Series 350U, stainless steel plunger, Viton® seals
- ▶ **Motor:** 12 V DC, 10A-30A draw, sealed weatherproof design
- ▶ **Pressure control with by-pass agitation:** 10-150 PSI, 300 PSI liquid-filled gauge, full by-pass/agitation/priming valve
- ▶ **Hose reel:** COXREELS® 17.5" manual with Viton® seal
- ▶ **Hose:** 300', 3/8" ID, 600 PSI, PVC
- ▶ **Quick connects:** Foster® automatic shut-off socket and swivel plug
- ▶ **Filtration:** High capacity line strainer with clear bowl
- ▶ **Tank drain:** Integrated drain system
- ▶ **Frame:** Epoxy coated, 14 gauge steel, 45"l x 20" w x 14" h
- ▶ **Tank size:** 30 gallons
- ▶ **Dimensions:** 50"l x 25" w x 33" h
- ▶ **Dry weight:** 180 lbs.
- ▶ **Shipping weight:** 220 lbs.

Tough as nails.

Thick 14 gauge welded steel construction. Rock hard epoxy finish fights corrosion. PUMPTEC® plunger pump has all stainless steel and Viton® internals. Fewer moving parts means less downtime, more productivity. Durable, flexible, non-marking abrasion resistant PVC hose. Heavy duty COXREELS® with Viton® seals.

Eco friendly.

Turf industry's greenest sprayer. No gas engine emissions, no engine noise, no gas can. Quiet operation at any hour. Tank drain system simplifies disposal compliance. Reduce, reuse and recycle residuals. Compact size and light weight fits smaller vehicles, reduces fleet expense.

Everyday reliability.

Full charge provides entire workday of spraying. Instant on/off means more time to spray, more jobs per day. No spark plugs, diaphragms or pull cords to fail on the job. No gas or oil levels to maintain. Finish every job you start quietly and quickly.

High tech design.

PUMPTEC's patented design provides highest performance, lowest amperage. State-of-the-art fluid control system. Digital status readout. Battery charge maintainer. Fully integrated, independent sprayer.

80809 30 gallon/manual reel

"We converted our entire fleet to PUMPTEC® electric sprayers.

Our techs would use nothing else."

-Todd Leyse, President
Adam's Pest Control, Inc
