*PumpteC's introduction of Series 204 pump 20 years ago to the Carpet Extractor manufacturers made high performance portable extractors possible. Several innovative manufacturers saw the benefit of a compact, efficient pump and built their product lines around this pump.*

*PumpteC continues to make possible innovative product solutions to this market as well as other markets that include: Misting, Portable Sanitation and Spraying...*

**PumpteC**  
makes it possible.
